MEMORANDUM FOR DIRECTOR, CENTRAL INTELLIGENCE AGENCY  
ATTN: Mr. James Q. Reber

TC 5-466-56  
Copy 1 of 2 m  
27 NOV 1956

SUBJECT: Revision of List of TALENT Positions in Hq. USAF and Certain  
USAF Commands

1. Reference is made to memorandum, subject: "Security Manual", dated 28 May 1956, the list of positions attached thereto, and the memorandum for record dated, 29 May 1956, subject: "Plan for Establishing a TALENT Control Area in Hq. USAF."
2. Maj. Jack Nabors is hereby designated as the TALENT SECURITY OFFICER for Hq. USAF and Capt. Bernard Thompson is designated as the TALENT CONTROL OFFICER for Hq. USAF.
3. The continued development of the TALENT CONTROL SYSTEM and the utilization of materials controlled thereby within this Headquarters necessitates expansion of the number of positions to be authorized TALENT clearances. Accordingly, a revised list of 341 positions, including 188 positions originally approved, is attached for your consideration and approval. These positions are essential to permit the Director of Intelligence to fulfill his responsibilities to the Air Staff and to insure the timely use of extremely significant intelligence items.
4. It will be noted that the attached list also contains positions for the Air Research and Development Command and the USAF Security Service. These positions are required to permit personnel of this Headquarters to carry out liaison duties with key personnel at those installations. The establishment of these positions does not constitute an extension of the system to those activities or the transmittal of material for retention.
